Preparing for Your Exchange

Temporary Resident Visas
Citizens of certain countries require a Temporary Resident Visa (TRV) to enter Canada. A TRV is not the same as a Study Permit. A TRV gives the individual permission to enter Canada, whereas a Study Permit gives them permission to study in Canada. See the Citizenship and Immigration Canada website for a list of countries requiring a TRV.

www.cic.gc.ca/english/visit/aavap.asp

Students must apply for a TRV (if required) before entering Canada. They are available only at a Canadian embassy, consulate, or high commission outside of Canada. Consult the list of Canadian consular offices overseas to find the office responsible for your country and what requirements and procedures you must follow when you apply. www.voyage.gc.ca/contact/offices-list.Liste-bureaux.

DESIGNATED LEARNING INSTITUTION NUMBER
Recent changes with CIC require institutions to be designated by the Canadian government. Western’s DLI number is O19375892122.

Living on Campus

Traditional dormitory-style residences and apartment-style suites are available. Most residences offer a meal plan. Single students who have been accepted by mid-March for a full-year exchange will receive a guaranteed offer of residence or waiting list information. Residence accommodation for students on single-term exchange depends on availability www.residence.uwo.ca.

OFF-CAMPUS HOUSING

Western is located in a residential area with many housing options close to campus. Our Off-Campus Housing Office provides lists of available housing, advice and rental agreements. For more information, please visit: www.uwo.ca/ocs/off-campus.

Healthcare
While in Canada and registered with Western, students are eligible for the University Health Insurance Plan (UHIP). For information about UHIP and what it covers, please visit: www.uhip.ca

When you visit a doctor, it is important to present all your health insurance information, if you do not, you may not be covered for the medical treatment.

APPLICATION DEADLINE
