Rest assured that whenever you travel internationally or live abroad, you and your family have a 24/7 resource on call, online and even on the ground to help with any medical, security and logistical questions, concerns and situations that may arise. So if you need a medical referral, lose your medication, seek pre-travel advice or experience a medical or security crisis, your organization has a fully integrated program in place so you receive the care and expertise that you need, whenever and wherever you need it.

Your organization partners with International SOS, the leading medical assistance, international healthcare and security services company. Travel security services are provided by a joint venture of International SOS and Control Risks, the world's leading security risk management firm.

Take advantage of this powerful resource by calling an International SOS assistance center, which has physicians, multilingual coordinators, operations managers, logistics support personnel and medical and security professionals on hand to speak with you.

Also, prepare for a trip or assignment by browsing through our various medical and security online tools and signing up for our alerts.
