Triple Helix: Top Sector Policy (2010-2020)
Mission driven Innovation Policy (2020-2025)

- Emphasis on four societal themes and key enabling technologies

- Government initiates development
  - With corresponding top teams, civil society and other stakeholders
  - Aimed at entire chain fundamental research - market introduction
  - Attention for market development: regulating and launching customer role
government and authorities
Education partnerships / funding schemes
Dutch Research Council

Two international funding schemes:

- Money follows researcher
- Money follows cooperation
Money follows researcher

- Ongoing project
- Stick to original design
- Proper supervision
- Agreement about purchased machinery
- Agreement about remainder of funding
- No conflicts with sanction regimes
Money follows cooperation

- Budget module, applicable to most NWO-funded projects
- Expertise that is not available in the Netherlands
- Up to 50% of total budget
- Foreign institute as (co-)applicant
- No conflicts with sanction regimes
We would love to continue the conversation.
