**EMPLOYER COMPLIANCE FEE (for Work Permit applications only)**

Immigration, Refugees and Citizenship Canada (IRCC) charges a \$230.00 employer compliance fee in order to submit an official Offer of Employment through the Employer Compliance Portal for work permits under the Research Award Recipient category. This fee must be paid by the employer (Western University) and may not be recouped from the VRO student.

Upon payment of the fee, a Transaction Receipt is generated, and an Offer of Employment # is automatically assigned. The student will require both in order to apply for a work permit.

I hereby authorize Western International to pay the \$230.00 employer compliance fee through the IRCC Employer Compliance Portal on my behalf and charge the fee to my Speed Code.
